

**UCSB EXTENSION CHILD LIFE INTERNSHIP PROGRAM
SPONSORSHIP APPLICATION**

- Yes. My hospital/medical facility wishes to have placed with us a UCSB Extension, Child Life Intern for purposes of a 250-480-hour non-paid internship (480+ hours are required for certification eligibility, but can be split amongst 2+ quarters).
- I understand that UCSB Extension does not cover students under the university liability insurance, therefore professional liability insurance must be provided by the student. Proof of insurance will need to be provided to the director of the Child Life program prior to beginning the internship.
